Editor's thoughts

IN THE BEGINNING...

The first Leo Club was the Leo Club of Abington Senior High School which was formed with 35 boys of the school baseball team on the 5th of December 1957.

It was Lion Jim Graver with the help of his fellow Lion, William Ernst who took the initiative of creating the first Leo Club and was Sponsored by the Glenside Lions Club from the state of Pennsylvania in the U.S.

The Leo Club initiative chose the Abington Senior High School colors, maroon and gold as the Leo Club colors.

AFTER THE FIRST LEO CLUB

In 1964 The Leo Club Program became an official district project and started to grow rapidly in Pennsylvania and other surrounding areas.

As the Leo Club program grew exponentially it became an official program of The Lions Club International in 1967, a decade after the first Leo Club was formed.

GLIMPS FROM LAST YEAR

2025 - 2026

Leoistic year

2025-2026

IPCP LEO DYLEN WOLFF

The Leoistic year 2025/26 was a year filled with service, fellowship, creativity, and shared experiences for the Leo Club of Kolonnawa. Throughout the year, we brought together different ideas, talents, and personalities, turning them into projects and moments that reflected who we are as a club and the kind of impact we wanted to create.

Our projects took us into our communities, gave us opportunities to serve different causes, and allowed our members to turn ideas into action. At the same time, the year was never only about projects. It was also about the meetings, conversations, celebrations, late nights, spontaneous ideas, and countless small moments behind the scenes that made the journey uniquely ours.

Within the club, members were given space to participate, take responsibility, lead initiatives, and discover where they could contribute best. New members became part of the Kolonnawa family, friendships grew stronger, and individuals who once simply participated began

LEADERSHIP

2025 - 2026

stepping forward with ideas of their own. Through it all, the club continued to be a place where people could belong, contribute, create, and lead.

The year also saw us explore new possibilities for the club, particularly in how we organised ourselves, communicated, used technology, and imagined what the Leo Club of Kolonnawa could become in the years ahead. Alongside the traditions that have shaped our club, we continued introducing fresh ideas that could carry Kolonnawa forward while preserving the spirit and identity built by those who came before us.

As we reached the end of 2025/26, what remained was much more than a collection of projects or a calendar of events. It was a year created collectively by every Leo who showed up, contributed an idea, accepted a responsibility, lent a hand, or simply chose to be part of the journey. Together, those individual moments became our year, our story, and another chapter in the continuing journey of the Leo Club of Kolonnawa.

Looking back, our Leoistic year was far from perfect. We celebrated meaningful achievements, yet there were goals we could not accomplish as planned. Every success, setback, and unexpected challenge became an opportunity to learn, adapt, and grow together with resilience and purpose.

Not every plan succeeded, but every experience strengthened our character, reminding us that progress is measured not only by achievements but also by perseverance and continuous improvement.

Leadership taught us that growth comes through uncertainty, collaboration, and the courage to keep moving forward despite obstacles. Each challenge reshaped our perspective, strengthened our friendships, and reinforced the values that define service, commitment, and genuine teamwork within our club.

As this chapter closes, we leave with gratitude, valuable lessons, and confidence that future leaders will continue building upon the foundation we created together with pride.

INSIGHTS

It is my great pleasure to extend my warmest greetings and best wishes to the Leo Club of Kolonnawa on the occasion of your 28th Annual Installation Ceremony.

As you begin another year of service, I encourage every Leo to embrace the spirit of Lions International President Lion Mark S. Lyon's theme, "Rooted in Service." Just as strong roots provide a tree with the foundation to grow and flourish, our commitment to service, fellowship and leadership will provide the foundation for a stronger and more impactful Leo movement.

As we move forward together in District 306 D6, let us strengthen our bonds, empower young leaders and transform our passion for service into meaningful and lasting change in our communities.

I am confident that the Leo Club of Kolonnawa, with its proud history and dedicated membership, will continue to reach new heights and inspire others through purposeful service.

Wishing the newly installed team and all members a successful, meaningful and rewarding year ahead.

Let us move forward together with our District theme:

Wishing you every success for a remarkable year ahead.

LION JAYASINGHE BANDARA MJF, MAF, JP

District Governor
Lions International District 306 D6
2026/2027

It gives me immense pleasure to extend my warm greetings and convey my message for the Club directory of the Leo Club of Kolonnawa.

As the Multiple District President of Leo Multiple District 306 Sri Lanka and Maldives for the Leoistic Year 2026/27, I am deeply honored and humbled to serve this remarkable movement under the theme "Lead for a Change." This theme represents a commitment to inspire transformation within ourselves, our clubs, and the communities we proudly serve. Our vision for this year is to standardize the Leo community while bringing innovation, inspiration, and a renewed sense of purpose to create meaningful change.

In a world that continues to evolve, the role of Leos must evolve as well. Our service should go beyond short-term initiatives and focus on creating sustainable solutions that address real community needs. Every Leo has the potential to become a change-maker by identifying challenges, embracing creativity, and implementing impactful projects that empower communities and create a lasting difference.

The strength of Leo Multiple District 306 lies in our unity and diversity. Through collaboration among districts, clubs, and members across Sri Lanka and the Maldives, we can build a stronger, more connected Leo family. By sharing knowledge, encouraging innovation, and embracing new opportunities, we can elevate the Leo movement to greater heights.

Throughout this year, our leadership will be guided by integrity, accountability, empathy, and adaptability. True leadership is not defined by a title, but by the ability to inspire, influence, and serve others with dedication. I encourage every Leo to step forward with confidence, explore new possibilities, and lead initiatives that create positive change.

I extend my heartfelt appreciation to the Leo Club of Kolonnawa for their exceptional commitment and inspiring service to the community. Your dedication represents the true spirit of Leoism. I wish all past, present, and future Leos continued success, growth, and fulfillment as you continue building a legacy of service, and I also thank past leaders of the Club for bringing high remarks, and it's my honour to send this message as the first Multiple District President from my home club.

Leoistic Year 2026/2027

Dear Leos of Kolonnawa,

It is my great pleasure to extend my warmest wishes to the Leo Club of Kolonnawa as you embark on another year of service, leadership, and growth.

As you begin the Leoistic Year 2026/27, I encourage every member of the Leo Club of Kolonnawa to embrace the spirit of "Beyond the Expected." Do not limit yourselves to what has been done before. Dream beyond boundaries, serve beyond expectations, lead beyond titles, and create an impact that extends far beyond a single project or a single year.

As your District President, my greatest expectation from you is not simply to achieve more projects or collect more accolades. I want you to become more: more compassionate changemakers, more courageous leaders, more innovative thinkers, and more empowered individuals who have the confidence to turn ideas into action. Let this year be one where every Leo discovers their potential and understands that leadership is not about standing above others, but about lifting others higher.

My vision for this Leoistic year is to serve with purpose, empower our Leos, and create a culture where every Leo feels capable of going beyond what is expected of them. And I truly believe that the Leo Club of Kolonnawa has everything it takes to be a powerful part of that vision.

To the incoming Club President, Leo Subhani, and every member of the Leo Club of Kolonnawa, I wish you a remarkable year filled with courage to dream, strength to serve, and the determination to leave a legacy worthy of the Leo spirit. May you continue to make your club, your community, and the Leo Movement proud.

"Rise beyond the expected, and become the reason someone else believes they can."

With heartfelt wishes for a successful and impactful Leoistic Year 2026/27,

Dear Leos of Leo Club of Kolonnawa,

It is with great pleasure and pride that I extend my warmest greetings to the Leo Club of Kolonnawa on the occasion of your 28th Club Annual Installation Ceremony.

Twenty-eight years of Leoism is not merely a milestone, it is a testament to the dedication, leadership, friendship and service of generations of Leos who have contributed to the growth of the club and the betterment of society.

As you embark on another year of service, I encourage every Leo to embrace the spirit of mLeadership, Experience, and Opportunity. Wishing the club and its members a successful, memorable and remarkable Leoistic year ahead.

LEO LION DAMITH RAUSHALYA

District Chief Region Chairperson
Leo District 306 D6
Leoistic Year 2026/2027

The Leo Club of Kolonnawa carries a legacy built through service, friendship, dedication, and the efforts of many Leos who have served before us. It is a legacy that reminds us that true leadership is not about a title, but about the difference we create through our actions.

Over the years, Kolonnawa has become more than a name to me. Although I may not live in Kolonnawa, I have found a sense of belonging here that goes beyond any place. I believe that places do not make a home; people do. The people, friendships, and experiences I have found through this Club have made it a very special part of my life.

As we begin the Leoistic Year 2026/2027, I am honoured to lead the Leo Club of Kolonnawa and to continue the work of those who have contributed to its journey. At the same time, I believe that every new year brings an opportunity to think differently, dream bigger, and create a positive impact in new ways.

Our theme this year, "Bloom Beyond Boundaries," reflects that belief.

Like bees working together to create something greater than themselves, may we continue to work with unity, purpose, and dedication. May we reach beyond the boundaries of what is familiar, welcome new ideas, create new opportunities, and extend our service to more people and communities.

I hope this year will not only be measured by the projects we complete, but by the lives we touch, the connections we build, and the positive change we leave behind.

With the support of our members, Advisors, partners, and the wider community, I look forward to making Leoistic Year 2026/2027 a meaningful chapter in the continuing legacy of the Leo Club of Kolonnawa.

Let us honour what has been built, embrace what is possible, and Bloom Beyond Boundaries.

LEO LION SUBHANI EMBULDENIYA

Club President
Leo Club of Kolonnawa
Leoistic Year 2026/2027

It is with great pride and honour that I write this message as the Immediate Past Club President of the Leo Club of Kolonnawa.

To me, Leoism has always represented the true meaning behind the words Leadership, Experience and Opportunity. It is a place where an idea does not have to remain just an idea. If there is something you are passionate about, something you want to create, change, learn or simply try, Leoism gives you the opportunity to take that first step. More importantly, it gives you a community of people who will support you along the way.

Leoism is, in many ways, a testing ground. It is a place to experiment, to discover what you are capable of, to succeed, and, perhaps most importantly, a place where it is okay to fail.

To every Leo being inducted today, I hope you take the utmost benefit from everything Leoism has to offer. Try something you have never done before. Take responsibility even when you are unsure whether you are ready. Challenge yourself. Try to succeed, but never be afraid to fail.

Because failure means you are doing something.

Be proud of your failures. Learn from them, grow through them, and never allow them to stop you from trying again. Some of the greatest experiences you will have as a Leo may begin with something that did not go according to plan.

As I step forward from my term as Club President, I do so with immense hope for the Leos who will carry our club forward. Make this year your own. Create, serve, lead, learn, fail, succeed, and above all, enjoy the journey.

Here's to an incredible Leoistic year ahead.

LEO DYLEN WOLFF

Immediate Past Club President
Leo Multiple District 306
Leoistic Year 2026/2027

As the 1st Vice President of the Leo Club of Kolonnawa, I look forward to a year focused on people, purpose, and meaningful service.

As a community club, our greatest responsibility is to be there for those who need us. There will always be someone who needs a helping hand, an opportunity, or simply someone to stand beside them. I believe our club should always be ready to be that support.

I look forward to working alongside our members, turning ideas into action, and creating meaningful change within our community. Every effort counts when it reaches someone who truly needs it.

Let us make this year more than a successful year for our club. Let it be a year that people remember for the difference we made.

Stand for the community. Serve those in need. Make every effort count.

LEO MENURA DELTHALAWA

Leo Club of Kolonnawa
Leoistic Year 2026/2027

It is a privilege to serve as the 2nd Vice President of the Leo Club of Kolonnawa for the Leoistic Year 2026/2027.

Inspired by the quiet elegance of the water lily, our theme this year reflects the spirit we aspire to embody, composed in purpose, graceful in action, and unwavering in service. May we, like the water lily, rise with elegance and create ripples of meaningful change wherever we serve.

My journey with Leo began in 2018, with nothing more than the simple inspiration of seeing friends serve their community. Eight years on, Leoism has become an enduring part of my life. It has given me friendships, experiences, opportunities, and lessons for which I will always remain grateful. In return, I hope to continue contributing to the club that has shaped so much of my journey.

Though our members are engaged in studies, careers, and the many responsibilities of life, they continue to make time for service. That commitment, quietly given and sincerely carried, is the foundation of our strength.

With a dedicated team and an inspiring vision ahead, I look forward to serving alongside our Club President, Leo Lion Devuni Embuldeniya, as we begin a new chapter together.

May this be a year defined by purpose, unity, elegance and impact.

Wishing every elected and appointed member a remarkable and truly Leoistic Year.

LIONS CLUB OF KOLONNAWA

Founded through the efforts of Mr. Wamasena Godawatte, Mr. Dayananda Perera and others, with the assistance of Lion Kumar De Silva, the Lions Club of Kolonnawa began with 23 members under its Charter President, Lion M.D.W. Jayawardena.

The club was extended by the Lions Club of Cinnamon Gardens, then part of District 306-B, in December 1979. The International Association of Lions Clubs formally presented its charter on 1 May 1980.

Today, the Lions Club of Kolonnawa serves under Lions District 306 D6, continuing a legacy spanning more than four and a half decades. Throughout its history, the club has served under different district structures, including 306-A, 306-B, 306-C and 306-C1, adapting alongside the evolution of Lions in Sri Lanka.

Among its historic achievements, the club pioneered the use of Sinhala for club meetings and publications and became the first club in Multiple District 306 to induct a wheelchair-using Lion, the late Lion Raja Gajadheera.

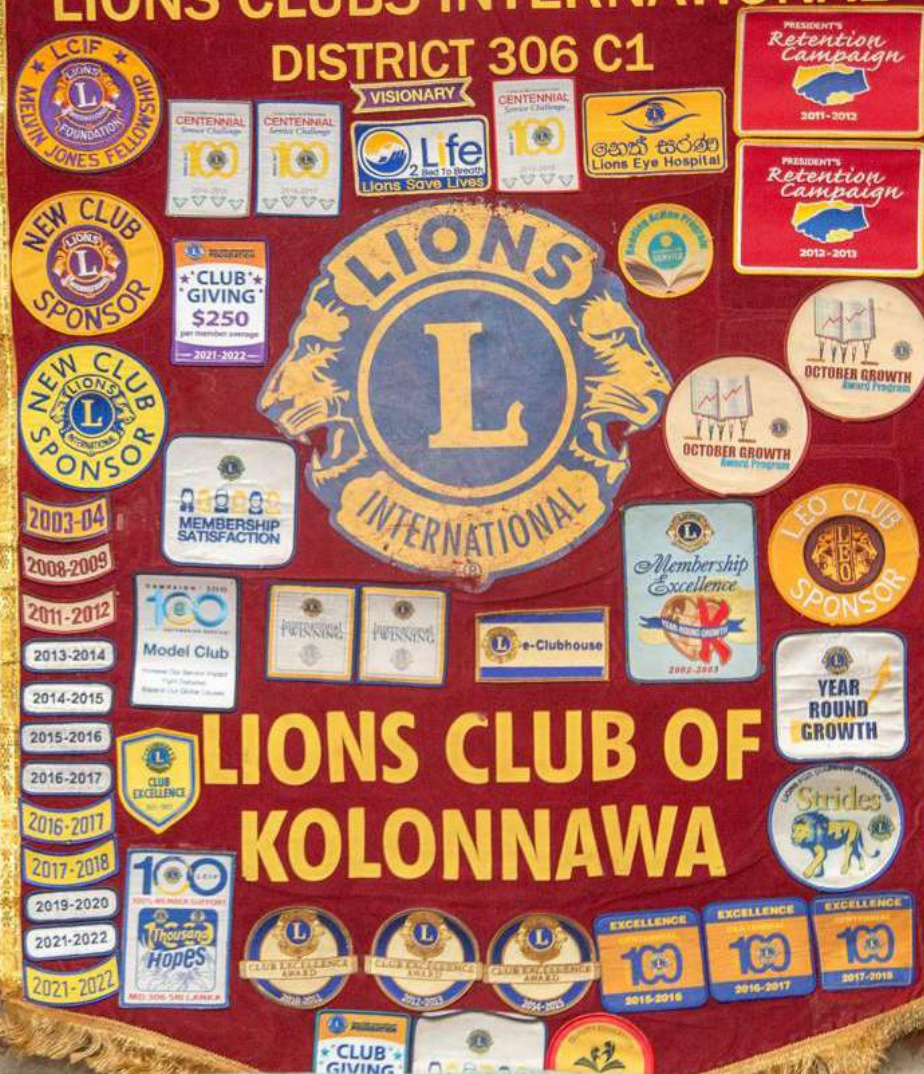

The club has also established and supported numerous long-standing community initiatives. These have included a monthly medical clinic supporting malnourished children, the Greta-Kramer Health Clinic, assistance to elderly and differently abled individuals, and annual educational support for Daham Pasal students through books and uniforms.

Its service continues today. Recent initiatives have ranged from supporting elderly communities and religious institutions to working alongside the Leo Club of Kolonnawa. In Project Namaskara in July 2025, for example, the Lions Club provided 150 spectacles for elderly members of the community as part of a joint Lions-Leo initiative.

For more than four decades, the Lions Club of Kolonnawa has remained committed to service, fellowship and community leadership, while continuing its important role as the parent and sponsoring Lions Club of the Leo Club of Kolonnawa.

CONCEPT

It is a pleasure to present the Leo Club of Kolonnawa Club Directory for the Leoistic Year 2026/2027.

For me, creating has always been something I truly enjoy. Being able to bring ideas to life through design, creativity, and storytelling makes projects like this especially meaningful. So, having the opportunity to create something for my own club is a privilege I am genuinely grateful for.

Every Leoistic year brings a new vision, a new theme, and a new direction. With that naturally comes its own set of challenges. But I have always believed that challenges are part of what makes the journey worthwhile. Rather than seeing them as obstacles, I choose to embrace them with excitement, learn from them, and enjoy the process of turning each new idea into something we can be proud of.

This directory is more than just a collection of names and details. It represents the people, friendships, leadership, and memories that will shape our journey throughout this year. I hope that, as we look back on this chapter someday, these pages will remind us of the people we stood beside and the moments we created together.

My heartfelt appreciation goes to everyone who contributed to making this directory possible. Your support, ideas, patience, and trust have made this experience even more special.

Here's to a year of new ideas, new challenges, meaningful friendships, and countless memories.

Here's to making this chapter one worth remembering.
